## Rochester 5th Annual “Picnic in the Park”-ing Lot Event

The Endodontic Associates Rochester office hosted their annual summer “Picnic in the Park”-ing Lot event on Wednesday, July 26. Back by overwhelmingly popular demand, the Red Coat Tavern Food Truck set up shop in the parking lot to grill Red Coat Burgers for over 150 dentists and staff. The weather could not have been more perfect with a cool, beautiful summer day for colleagues to take a break from dentistry and visit with staff and friends. Guests raved about the Red Coat Tavern’s famous burgers (voted the best in Detroit for over 20 year), fries, onion rings, grilled chicken sandwiches and fresh garden salad. Even with the challenges of keeping the ice cream frozen on a warm day, guests were also able to choose from a large selection of ice cream desserts. EA Doctors **Mike Glass**, **James Nowicki**, and **Ross Ryan** were happy to host the event and thank all of the dentists and staff for attending.

## Endodontic Associates held its first annual receptionist meeting this past May.

Twenty five receptionists, office managers and the administrative staff held a meeting of the minds with the goal of increasing patient satisfaction, improving work flow, reducing paper, improving communications and good old fashion camaraderie.

300 years of staff experience is an incredible benefit for the entire company to have the staff come together and share their knowledge. They resolved a lot of small problems and a few major ones; it was well worth everyone's time.

The meeting was held at the Antheneum Hotel in Greektown starting at 9:30 with breakfast, breaking for lunch and then finishing the evening with dinner at Santorini's, followed by some casino fun.

The ladies enjoyed every part of the day and the Doctors plan to support this event for years to come.
