FINANCIAL POLICY - FOR PATIENTS WITHOUT DENTAL INSURANCE

Because of the nature of referral work and the high cost of extending credit, we must respectfully request that all patient balances be paid during the time of actual treatment. If you are unable to pay for treatment at the time the service is performed, please **advise us now**. We realize that this can be a problem for some of our patients. If you need an extended period of time to make payments, we will be glad to accept Visa, MasterCard, Discover, American Express or Care Credit.

So that our staff can properly administer your account, please indicate below how you will be taking care of your balance:

Cash Check Care Credit

Visa MasterCard Discover Amex

If you have any questions or concerns regarding these policies, we will be pleased to discuss them with you. We value you, our patient, and will continue to provide you with our best professional care.

Charges not paid within 30 days will have a service charge of 0.58% per month (Annual rate of 7%) added to the past due balance on each monthly statement thereafter.
